Collaborative Digital Storytelling for Sustainable Change

We cordially invite you to join the international symposium **LEARN TO CHANGE - INTERNATIONAL SYMPOSIUM ON PARTICIPATORY PEDAGOGY**. The symposium will take place in person at the University of Chemistry and Technology in Prague, 16 June 2022. This meeting of scholars, researchers, and educators will offer a unique opportunity to discuss the current trends in participatory pedagogy and collaborative interdisciplinary learning and teaching.

Keynote: Daniel Libertin (C3 Prague, Creative Code and Content Agency)

We are inviting participants to submit papers on the following topics:

- Participatory Pedagogy
- Digital storytelling and sustainability pedagogies
- Digital collaborative pedagogies for the Covid era and beyond
- Learner-centred and participatory approaches to fostering sustainability competencies
- Multidisciplinary co-creation networks
- Collaborative digital storytelling for sustainable change

Registration: You can register and/or submit abstracts for a 15-minute presentation (180–200 words) including a short academic bio (80–100 words) via the following **[REGISTRATION FORM](#)**.

Deadline for submissions: 15 May 2022

The symposium is part of the Erasmus + Learn to Change - Collaborative Digital Storytelling for Sustainable Change 2020-1-FI01-KA226-HE-092760 project which covers the conference fee. For more details about the symposium, please see: **[Learn to Change Symposium website](#)**.

Venue: University of Chemistry and Technology, Building A, Technická 5, Prague 6, Czech Republic.
